

REGISTRATION

What is registration?

Registration is where you come and pick up your **race pack** for your event. All participants must do this before the event, even though they have entered and paid either online or by post. The main purpose of 'registration' is to provide you with your race bag which includes your ankle bracelet transponder and race number and helmet sticker, along with other goodies.

At registration there will be maps of the course, wave groups and a friendly registration team who are available to answer any questions you might have.

Where and when is registration?

Registration will take place at Race HQ, being at Salisbury Wharf end of the Mall on Pilot Bay, Mount Maunganui. Registration will be on **Saturday 25 February 2017 between 1pm and 5pm.**

Ensure you check the website regularly as information is subject to change and update.

What if I cannot make registration on the Saturday?

We really do encourage you to come down to registration **on Saturday 25 February 2017** so you are not so rushed the morning of your event. However if you personally cannot make the above registration time you can either have a friend or family member come and collect your race pack on your behalf.

Otherwise, if you cannot arrange for an alternative person to collect your race pack you will be able to pick it up on the morning of the race between 7am and 8am. We do ask that you please contact the event director by e-mailing info@trichicks.co.nz to let us know.

What do I get in my race pack?

Your race pack will include the following:

- ◆ Swim Cap;
- ◆ Race number (to be attached to the front of the shirt of the run/walker);
- ◆ Race number sticker (to be attached to the front of the helmet of the cyclist);
- ◆ Ankle Bracelet Transponder;
- ◆ Other fantastic products and goodies!

Can I enter on the day?

No. The latest you can sign up to the event is at registration **the day before** the event (you will incur an additional late entry fee of \$10) but for health and safety and logistical reasons we cannot take any late entries on the day.
